Fairytales Love

She dreams of a fairytale, her wishes
are chimerical. Her lights of fairy
was one that stopped the time, led
in a floating golden love, a magical
time. With every step she takes, she
pines for chimeras.

Fairytale Love

*The dreams of a fairytale, her visions
are ethereal. Her flights of fancy
are ones that stopped the time. Lured
in a floating golden love-colored at-
titude. With every step she takes, her long-
gowned dreams*
