Fairytales Live

She dreams of a fairy tale; her wishes
are chimerical. Her imagination
was one that stopped the world
in a fleeting golden dream
time. With every step she takes,
prince chimes.

Songs of clarity

*The moment the world looks upon you is now, as if the world wanted to
know you, this is your chance and for this moment, look they say for
now, as that is your chance to show the world you are here.*

Fairytale Love

*The dreams of a fairytale, her visions
are chimerical. Her flights of fancy
are ones that stopped the time. Captured
in a floating golden love-colored at-
titude. With every step she takes, her long-
gowned dreams*
