Lady o *Light*

Next to you, the world is pale
and lifeless. You are the moon-
light...the stream of class
which adds a sheen to every
evening.

TRENDY AND CLASSY

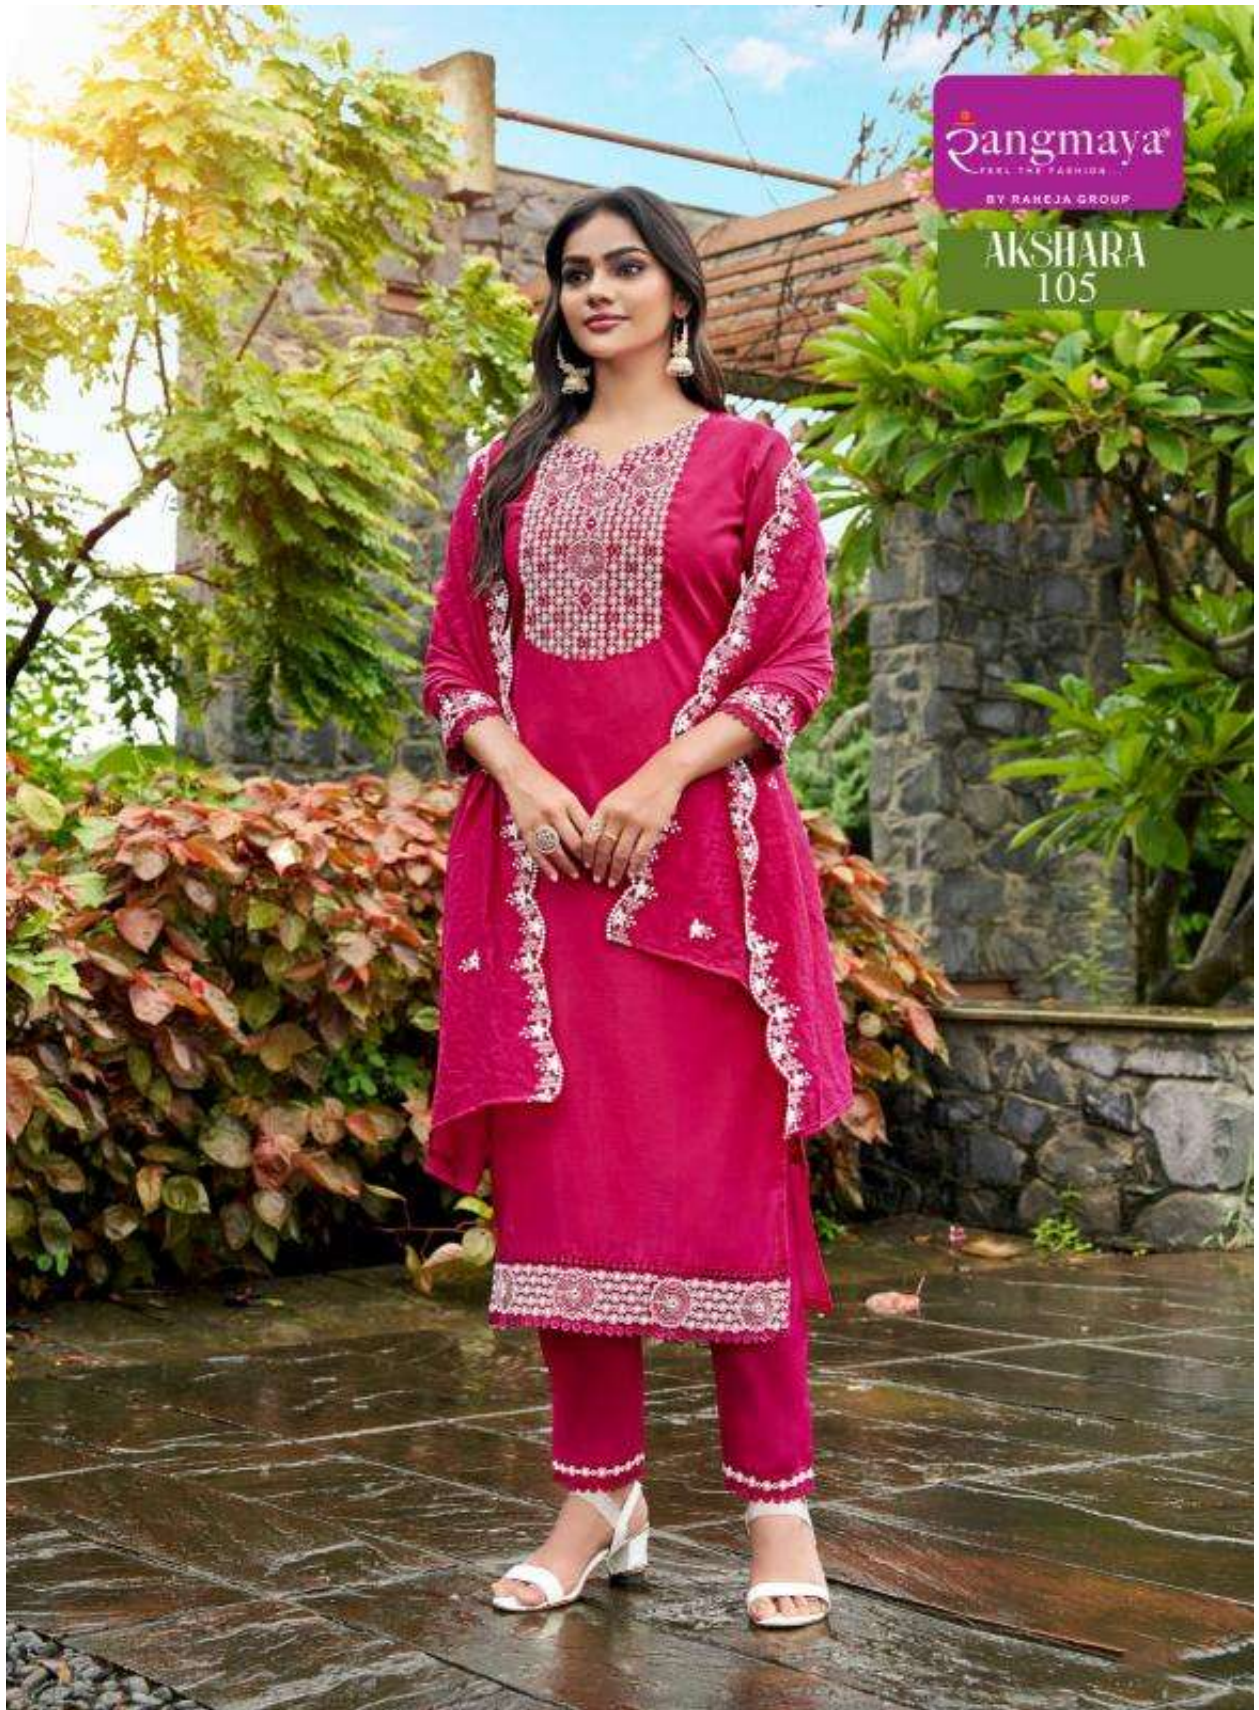

Flutter of Grace

Their wings flutter; they grow
nervous and agitated; as they
await a smile, a sign, an insight
of approval from your good self.
Fly into their hearts on graceful
dances, leading on the wings of
your smile.

A woman with long, wavy brown hair is the central figure, wearing a mustard yellow dress with a large, ornate white floral embroidery on the bodice. She is standing outdoors against a rustic stone wall. Her right hand is near her face, and her left hand is holding a piece of yellow fabric with a white floral border. The background shows a clear sky and some greenery. The overall aesthetic is elegant and traditional.

Eternal Shores

As you sit by the coast of the Ever
Sea, the waters begin to touch
your being. And in doing so, a
process of magic begins to
enrich you and guide you to a
realm where all is immortal
