Decent
FACE

I'm a passionate believer in the vibrant, colorful
expression of all people and our common humanity.
It's not about the person, it's about the person's
heart. In all forms, whether we live or we die.

The greatest of human beings are the people
who have the ability to see the world in a new way,
a way that is not just a way of seeing, but a way of
feeling which is the art of understanding, empathy
and transformation.
