HIT DESIGNS - SS 32015

The most important thing to remember is that the saree is always a statement piece and should be chosen by looking at the overall design.

The most important difference in the design of the saree is the intricate gold embroidery on the teal fabric.

The most important difference between the two is that the first one is a saree and the second one is a blouse.

The most important thing to remember is that you should always be comfortable when you are wearing a saree.
